

Sustainable Packaging that Performs

PULP ROUND BOWLS & CLEAR LIDS

PULP SOUP CUPS & CLEAR LIDS

PULP OVAL BOWLS & CLEAR LIDS

100% Compostable Packaging Solutions

This environmentally friendly collection of compostable catering and tabletop products combines sustainable design with exceptional performance, using pulp that derives from sugar cane fibre, one of the world's most abundant annually renewable resources. All products have passed rigorous requirements, are certified compostable and make any food application look great.
